A fixed-price proposal for a new brand identity for Atlas, from first workshop to a complete handoff. The work is in two milestones that fit the 2,000,000 ISK budget: **M1 Foundation** builds the identity, the website design and the initial brand guide; **M2 Applications** makes everything Atlas needs for the fair in February and hands over every file, so Atlas can use the brand without a designer.

Project · Atlas Brand Identity	
M1 Foundation Kickoff, naming system, identity, verbal identity, website design, brand guide, project management and two feedback rounds 26 Oct – 16 Dec 2026	1,335,000
M2 Applications Templates, booth and print, ads and social, guide update, handoff, project management and two feedback rounds 4 Jan – 5 Feb 2027	660,000
Subtotal, fixed fee	1,995,000
VSK 24%	478,800
Total ISK	2,473,800

Payment schedule

On acceptance, before M1 starts	667,500
M1 delivered	667,500
Before M2 starts	330,000
M2 delivered	330,000
Account (reikningsnúmer)	0123-26-001320

Optional add-on · AI asset system

Starter — 465,000

Brand knowledge, ad and social generation skills, a language skill, a walkthrough session with the team

Full — 915,000

Everything in Starter, plus document skills, Figma connection, brand checks, a test run and a written guide

8 Feb – 12 Mar 2027

Not included in the total above. Excludes 24% VSK and Atlas's own Claude and Figma subscriptions.

Terms

Revisions	Two consolidated feedback rounds per milestone; further rounds at 15,000 ISK per hour
Payment	50% before each milestone starts, 50% on delivery
Deposit	Non-refundable once work on that milestone has started
Delivered files	Figma source files, editable templates, brand guide PDF, asset repository
Ownership	Files transfer to Atlas when the milestone is paid in full
Not included	Website coding, printing, motion, brochures, foreign-market adaptation, campaign copy, font and stock licenses
